The Inside Pitch
OFFICIAL NEWSLETTER OF ASA/USA SOFTBALL

ASA/USA SOFTBALL GOES PINK FOR BREAST CANCER AWARENESS

Last month ASA/USA Softball continued its fundraising efforts for Susan G. Komen of Central and Western Oklahoma with the ninth annual “Pink Auction”. The USA Softball Pink Auction included autographed, game-worn jerseys from members of the 2013, 2014, 2015 and 2016 USA Softball Women’s National Team.

Since the inception of the “Pink Out” auction in 2008, ASA/USA Softball has raised over $79,000 for Susan G. Komen of Central and Western Oklahoma through the auctioning of game-worn USA Softball jerseys as well as bats, cleats, helmets and other softball apparel. In addition to the monies raised through the auction, ASA/USA Softball also creates additional awareness for the foundation by wearing specially made pink USA Softball jerseys on international broadcasts, both televised and streamed online.

We are pleased to announce that $4,150 was raised and donated to Susan G. Komen of Central and Western Oklahoma at their annual Race for the Cure event held on Oct. 22 in Oklahoma City.

Assistant Editor Codi Warren
Hello and welcome to the October 2016 edition of the Inside Pitch, the official newsletter of ASA/USA Softball.

You will quickly notice that The Inside Pitch is going pink this month to support and bring awareness to the fight against breast cancer. Whether you or someone you know has been diagnosed with this devastating disease, we are committed to raising awareness and funds across the country. In this month’s issue, you have the opportunity to read about a few of our local associations around the country and the various tournaments they have held in their area. On the front cover, you will also see that ASA/USA Softball donated $4,150 to Susan G. Komen of Central and Western Oklahoma after 19 autographed jerseys were bid on during the Pink Auction earlier this month.

Also in the news this month is word about our USA Softball Junior Women’s National Team (JWNT) Open Tryouts set to take place Dec. 30, and the JWNT Selection Camp Dec. 31-Jan. 1 in Clearwater, Fla. All those who advance from the Open Tryouts will participate in the Selection Camp and go through a series of drills and scenarios. Following the conclusion of camp for our Junior Women, our Women’s National Team (WNT) invitees will vie for 17 spots on the roster to compete next summer. We are excited to be heading to Clearwater and are looking forward to seeing what ladies will represent the Red, White and Blue next summer in paving the way for the Tokyo 2020 Olympic Games.

We are just a few weeks away from the ASA/USA Softball Annual Meeting in Shreveport, La. and I am anxious to see everyone! Following registration on Saturday, we will be honoring eight individuals who will be inducted into the ASA National Softball Hall of Fame – Ken Eriksen, Jennie Finch, Harry Haroian, Peter Meredith, John Nelson, Tom Penders, Terry Petersen, and Mick Renneisen. Whether they are players, coaches, umpires or administrators, these eight individuals have made an everlasting impact on ASA/USA Softball in their roles. We will also be awarding key Council Members for their years of service at the Wilson/DeMarini Awards Luncheon. When you receive information in preparation for the Annual Meeting such as Code/Procedural Manual changes, please review these documents so you can be best equipped at the respective discussions.

As a reminder, our USA Softball National Umpire Schools (NUS) and USA Softball National Coaching Schools have been scheduled for the 2016-17 calendar year. If you are curious as to how you can improve your skills as an umpire or learn better techniques when coaching, I would strongly encourage you to attend. If not you, it might be someone else you know or those within your association that could benefit. The NUS will feature qualified coordinators, while WNT Head Coach Ken Eriksen, ASA/USA Softball Director of Education and two-time Olympic Head Coach Mike Candrea, and others will highlight the National Coaching Schools. Visit ASAUSASoftball.com for more information!

Enjoy this month’s newsletter!

ASA/USA Softball announced six USA Softball National Umpire Schools (NUS), including an Advanced National Umpire School for Fast Pitch, that will take place across the country from Dec. 2016 through June 2017. The schools will take place in six different states across the United States: Arkansas, California, Georgia, New Hampshire, South Carolina and Texas. In addition to the announcement of the USA Softball NUS locations, ASA/USA Softball has also unveiled the new look for the schools, including a new agenda and new school layout.

“Our USA Softball NUS Committee has worked tirelessly to come up with a new agenda which can be adaptable to the needs of each Region or Local Association hosting a school,” said ASA/USA Softball Director of Umpires Kevin Ryan. “After gathering feedback from previous schools, the new format consists of on-field drills, classroom lectures and plenty of interaction between the students and instructors. We encourage all umpires to attend a USA Softball NUS in their Region, not only for the valuable lessons they can learn but to also grow their passion for the game and for being a USA Softball umpire!”

Women’s fast pitch softball has a rich and vast history. Following the founding of softball in 1933 at the World’s Fair in Chicago, Ill., the popularity of softball continued to rise across the U.S. Out of that popularity spawned the city of Orange, Calif. to come together to form a women’s softball team that could represent the city in the sports world. Named in honor of the Orange Lions Club, who were the first group to sponsor the team, the Orange Lionettes were born.

Fourteen years would go by before the Orange Lionettes would claim their first Women’s Major Fast Pitch title in 1950 in San Antonio, Texas. Three-consecutive Championships by the Orange Lionettes helped foster the desire by the city to one day host the coveted Women’s Major Fast Pitch National Championship...a dream that would be realized in 1954. Held September 6-12 at Orange City Ballpark, below is the official tournament program for the event.

During the 2016 season, the City of Salem hosted three softball tournaments to raise money for the Linda L. Vladyka Breast Wellness Foundation. The foundation is dedicated to raising funds for education, research and the promotion of breast wellness and breast cancer issues. Play for a Cure Oregon® is an annual non-professional adult softball tournament held at the Wallace Marine Park Softball Complex in Salem, Oregon and just completed their 15th annual tournament. Next year, Adult recreational teams will pledge their support to this great cause by playing games on August 18-20, 2017.

In 2016, benefits from Play for a Cure Oregon® fundraising tournaments totaled $9,187! Putting that into perspective, that is about 115 high risk women with mammograms who would not otherwise be able to get one. From the 109 teams that participated in the tournaments, each had a top donating team that raised the bar for others to donate. The first tournament, Play for Mother’s Day, the 12U Beaverton Blaze ReBel-las donated $260. That tournament was followed by the Reach for the Stars tournament where 14B Sweet Home Huskies raised $711. At the final tournament Stars ‘n’ Stripes Forever, the Aloha Breeze-Combs team donated $718.93. The City of Salem plans to raise the bar another notch in 2017, as their goal is $10,000. You can support this cause in many ways, by registering for and playing in one of the three fundraising tournaments in 2017, by donating to the cause, or donating prizes for the top donating teams. The goal is for every team to donate $100 as well. The fast pitch tournament dates are as followed:

- Play for Mother’s Day – May 13-14, 2017 (10U and 12U)
- Reach for the Stars – June 16-18, 2017 (10U, 12A, 12B, and 14B)
- Stars ‘n’ Stripes Forever – July 1-3, 2017 (12A, 14A, and 16/18U)

“Since 2008, we have raised a grand total of $63,688! This is possible only with the support of many people and teams over many seasons. I am honored to support this cause, as it is heading into its tenth year,” said Tournament Director Maggie Combs.

For the complete list of 2017 tournaments, visit www.softballcityusa.com or contact pinkribbon@softballcityusa.com.
According to the American Cancer Society’s Relay for Life website, one in three women and one in two men in the U.S. will be diagnosed with cancer in their lifetime. Relay for Life is an annual team fundraising event held in communities around the country and sponsored by the American Cancer Society. Typically running anywhere from six to 12 hours in length, team members take turns walking around a track or designated path during the event.

“Each team is asked to have a member on the track at all times to signify that cancer never sleeps.”

Participating in her first Relay for Life is what led USA Softball’s Kansas City Junior Olympic (JO) Commissioner Mary Mahoney to create ‘Hit for the Cure’ – a softball tournament to raise funds for the cause which includes life-saving cancer research studies, crucial patient care programs, and education and prevention initiatives.

“We donate 100 percent of all proceeds from our Hit for the Cure tournaments,” Mahoney said. “Half is given to Kansas City’s Relay for Life and the other half is given to Camp Quality, which is another one of the charities we support.”

Camp Quality is a week-long summer camp in the Kansas City area where kids with cancer attend free of charge to meet up with other kids who are diagnosed with the same.

“I’ve had the privilege of going to Camp Quality and seeing the kids and volunteers who assist,” Mahoney said. “It’s an amazing experience.”

In its eighth year, the Hit for the Cure softball tournament continues to stand by the Relay for the Life motto, “Celebrate, Remember, Fight Back” – meaning they celebrate with those who have won their battle with cancer, remember those who have lost their battle and fight back in the hopes that someday nobody will ever have to hear the words, “You have cancer”. Different than that of other tournaments, cancer survivors are invited out onto the pitcher’s mound where they talk briefly about their experiences in addition to Relay for Life and Camp Quality. It is at that time where all players, coaches, and those in attendance are asked to remain silent while a team leads them around the field for the ‘Lap of Remembrance’. At the conclusion of the tournament, both the first and second place teams are given medals with the word ‘Champion’ to signify they are all champions for contributing to the efforts of helping others.

“It’s a very powerful few minutes that touches everyone,” Mahoney said. “It helps us all remember what is important. We come together as a softball community to raise awareness and donate to a worthy cause.”

On October 4, 2016, six people were inducted into the USA Softball of Metro Detroit Hall of Fame and Honor at the San Marino Club in Troy, Mich. Also in attendance was ASA/USA Softball President Mr. Warren Jones who spoke on behalf of ASA/USA Softball.

Individuals inducted into the Hall of Fame include Melissa (Drouillard) Bater - Fast Pitch Player, Dan Daldine - Umpire, Harry Haroian - Fast Pitch Player, Steve Hill - Slow Pitch Player, Jim Martin - Umpire and Tom Newcombe - Meritorious Service.

In the same night, the Special Recognition Team Award was given to the Golden Viper Senior Slow Pitch team. Starting league play in 2004 and comprised of former ASA team members from the Sterling Vipers that played in Sterling Heights from 1998-2003, they have captured 25 first place tournament finishes since 2010 along with 10 second place finishes while participating in 42 tournaments. Their accomplishments also include three national ASA/USA Softball titles and two runner-up finishes in the ASA/USA Softball Senior divisions. The Vipers have won several league titles and playoff championships with their 50+ team including an 18 and over league in 2014. They have full support of the Vipettes, a cheer squad comprised of player’s spouses.

Pictured above (L-R): Melissa Bater, Dan Daldine, Harry Haroian, Steve Hill, Jim Martin and Tom Newcombe.

Central Cal ASA celebrated its 6th Annual Breast Cancer Awareness Tournament (BCAT) during the weekend of October 1-2 at the Buchanan Softball Complex in Clovis, Calif. This annual tournament continues to grow year after year and is the highlight of fall ball activity throughout Central Cal ASA. Tournament Director Craig Heilbut, Executive Director Sandra Reed, and Tournament Host Dennis Chaltraw shared a message of breast cancer awareness throughout the weekend to a captive audience of 48 girls fastpitch teams all throughout California. During the event, a keynote address was made by professor Jenna Sawden-Bea, a breast cancer survivor and former softball player at Fresno State University.

Dr. Sawden-Bea's breast cancer was discovered at a young age during a routine physical exam and then underwent a double mastectomy, followed by chemotherapy in 2013. Cancer free after three years, Dr. Sawden-Bea shared a message of the value of a positive approach to any adversity and to “never be afraid to face cancer head on”. She continued by adding that “today happens to be my birthday, and after surviving breast cancer, there’s nothing better than one more birthday!” Dr. Sawden-Bea shared a light moment with a crowd of some 2,000 people in regard to how chemotherapy caused her to lose her hair and after fighting with a few wigs, realized what a “great head” she had and what a victory it was to give them up and simply be herself!

The BCAT has averaged $20,000 in donations to local charities over the last three years and is expected to go over $100,000 in donations with this year’s tournament. Central Cal ASA Commissioner, Tom Dowd, commented that the BCAT committee has done and “outstanding job of organizing and building off of the successes” of prior year tournaments. He continued by commenting that the umpires under the leadership of UIC’s Norm Schendel and David Garcia, provide a significant...

CONTINUED FROM PAGE 11 ...portion of their game fees back to the tournament and continue to be “the number one source of donations for the BCAT”.

One of the innovations of the BCAT committee has made over the years was to ask teams to put together gift baskets to supplement other raffle items and silent auction items the committee was able to gather in the weeks prior to the tournament. ASA Representative Vince Frascona said that “the gift baskets have taken on a life of their own” and that he’s “amazed” at the extent to which teams go to put together an impressive gathering of raffle prizes, most of which are beautifully enclosed in pink cellophane. Frascona’s wife, Central Cal ASA representative, Debbie Frascona, a cancer survivor and fighter, has crocheted a breast cancer blanket over the last few years which continues to rank as one of top fund raisers for the event.

BCAT host Chaltraw, lead a 20 minute presentation on breast cancer awareness and was joined on field by numerous cancer survivors and fighters, a number of organizations who benefit from this event, and players from nearly all of the 48 teams. Before presenting Dr. Sawden-Bea as the key note speaker, he shared key breast cancer facts such as “80% of all new breast cancer diagnosis have no family history of breast cancer” and that “no one ever died from breast cancer that stayed in the breast.” He also presented the local cancer organization, The Art Of Life Cancer Foundation, a special award as the winner of the annual “BCAT Grass Roots Award” winner for 2016. Jenelle Higton, Executive Director of The Art of Life Foundation, graciously accepted the award.

The presentation ended with all of the players giving high fives and hugs to the survivors and fighters, local benefactors, and key note speaker Dr. Sawden-Bea. Official BCAT flipping coins were also given to each of the survivors, fighters, guests and benefactors, by a number of the Central Cal ASA board members.

The Wounded Warrior Amputee Softball Team (WWAST) played in two softball events recently. During the Sept. 23-25 weekend, the WWAST travelled to Adrian, Mich. for a homecoming event for WWAST player, Saul Bosquez. Following an incredible meet and greet on Friday at the Adrian American Legion, the WWAST played in two exhibition games on Saturday, Sept. 24th at Adrian College. After the game, the WWAST was welcomed on field at the Adrian College homecoming football game. Later that evening, the WWAST participated in a victory dinner at the Adrian American Legion. The WWAST ventured to Souderton, Pa. for an event Sept. 30 - Oct. 2. The Griffin Gives Foundation welcomed the WWAST back to the Indian Valley for games on Oct. 1 at Butch Clemens Park in Lansdale, Pa. On Friday night the WWAST was welcomed at Suspenders Bar and Grill in Souderton, Pa. On that Saturday, the WWAST participated in a round robin tournament with local softball teams comprised of firefighters, police, and veterans. Despite rain pouring down the week prior, it miraculously cleared for the event on Saturday and the team was able to play all of the games. The team was honored at a celebratory dinner at the Courtyard Marriott in Lansdale, Pa. postgame.

As the year winds down, there is only one more event in 2016. On Dec. 1-4, the WWAST travels to the U.S. Virgin Islands for a homecoming event for WWAST player, Ben Mitchell. A meet and greet with the Governor, Department of Tourism and several local Senators is scheduled on that Thursday at the Buccaneer Facility. During their visit, the WWAST will visit with local war veterans, play two exhibition games against the National Guard/First Responders and Virgin Islands Celebrities and challenge local heavy hitters in a home run derby at the St. Croix, US VI D.C. Canegata Ballpark.

>> In addition to our normal softball events, four WWAST Players will be attending the ASA/USA Softball Annual Council Meeting in Shreveport, La. on November 10-18. Be on the lookout for WWAST Players – Josh Wege, Saul Bosquez, Chris Hutton, and Greg Reynolds if you are attending this event. They can tell you their personal stories of triumph and let you know what this team has meant to their recovery and the ability to continue to serve others.

If your association is interested in hosting the WWAST for an event in 2017 (limited availability) or 2018, please contact our Executive Director, Dennis Wince at dennis@thewwast.org.
